22nd May Queen's Birthday Cream Tea

The Queen will celebrate her 90th birthday on 21st April this year. Her birthday celebrations will take place during April, May and June.

It is expected to be the event of the year so let's mark this event in our social calendar too.

We cannot supply 900 horses or have the Red Arrows fly past but we can get together with our members for our own cream tea.

Why not put this in your diary.

The theme is red, white and blue.

20th Anniversary Visit by Villerest and Cerrione visit May 25th–27th 2017

As this is a special occasion we are inviting the French and also the Italians to join us.

Because there will be many people coming we will need help with hosting.

If you are willing to be a host to either a French or Italian couple we would be very grateful for your help.

If you are unable to offer a

room in your home then perhaps you might be kind enough to help with transport.

We are currently planning outings for them to which you will all be welcome.

More details will be in the Autumn Newsletter.

Films

Based on the childhood memories of Marcel Pagnol, 'La Gloire de Mon Père' and its sequel 'Le Château de ma Mère' are two of the most loved and successful French films ever made.

We hope you enjoyed both of them.

Nouvel An

In January Sue and Stephen hosted another Nouvel An one Sunday lunch time.

We were warmly welcomed and enjoyed a light lunch with some good wine.

As usual Stephen had prepared a quiz for us which kept us entertained and exercised our brains!

This was a resounding success.

Repas des Quatre Pays

For this, Jennie had prepared four delicious courses. We began with an Italian / German theme of a selection of meats, mozzarella cheese and tomatoes as well as melon. This was followed by a warming boeuf bourguignone, then cheeses and finally a light trifle and coffee.

AGM

Klara is again opening her pretty garden for this event, so come along and let us do the cooking for you!
